

WHO WE ARE

FEECO International was founded in 1951 as an equipment and engineering company. Today, we offer a variety of services, from initial feasibility testing, to process design, all the way through to custom equipment manufacturing, installation, and maintenance.

We provide the following equipment, as well as complete process systems, integrating multiple lines of equipment:

- Thermal Processing

- Rotary Dryers & Coolers
- Rotary Kilns

- Agglomeration

- Disc Pelletizers
- Agglomeration Drums
- Pin Mixers & Pug Mills/Paddle Mixers
- Compactors & Briquetters

- Fertilizer Production

- Rotary Granulators
- Hammer Mills
- Pipe Reactors

- Material Handling

- Conveyors & Conveyor Systems
- Bucket Elevators

We work in the following industries:

COMMITMENT TO QUALITY

Cited in over 250 US patents, the name FEECO has become synonymous with innovation and the reimagining of efficiency. As the leading manufacturer of processing and handling equipment in North America, no company in the world can move or enhance a concept from process development to production like FEECO International, Inc.

FEECO has provided full-scale process solutions for thousands of satisfied customers (including some of the world's largest corporations, engineering firms, and start-ups):

ExonMobil
Chemical

KOHLER

FEECO
INTERNATIONAL

WHY WORK AT FEECO

FEECO is a great place to work; just ask any one of our employees who has been here over 30 years!

FEECO is an international business with a small business feel. We offer great benefits, a 401K, a comprehensive wellness program, and a lot of things that are just nice, like our fitness membership discounts, our many corporate events, and a family atmosphere.

Aside from all of this, **the work we do matters.** We are on the forefront of many of tomorrow's advanced processes and materials. FEECO provides a unique niche that allows for hands-on problem solving and the opportunity to work with customers around the globe.

If you're looking for a trade in manufacturing, engineering and drafting, project management, or even process and equipment sales, we've got a place for you. Give us a call or drop us a line and let us know why you are right for FEECO.

WHO WE NEED

We're always looking for talented people to join our growing team.

WE HIRE:

- Welders
- Fabricators
- Mechanical Designers
- Mechanical Engineers
- Chemical Engineers
- Environmental Engineers
